

Port Authority
OF ALLEGHENY COUNTY

(OPT)

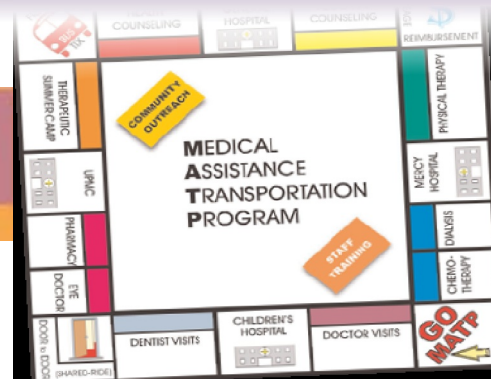

“Transportation, which one is for me, for where I’m going and for when I need it? Am I eligible and how much does it cost?” We would like to make those questions a little less confusing, maybe all your answers won’t be here but we will give you phone numbers, web addresses and as always Plum Senior Community Center is always available to you for help.

Port Authority OF ALLEGHENY COUNTY

Senior citizens age 65 or over ride Port Authority buses, the T and even the Mon Incline are free, when you have the PA Senior Citizen ID Card. Stop in at the P SC Center and sign up for one.

Plum Senior Community Center

MATP provides...

non-emergency medical transportation to Allegheny County residents of all ages for the purpose of receiving medical services covered by Medical Assistance (MA). These services include both physical health services (*doctors, dentists, pharmacists, psychologists*) and behavioral health services (*mental health and drug & alcohol counseling and treatment*).

Service Exclusions...

We **DO NOT** provide emergency or ambulance service or transportation to sheltered workshops, day care programs, mental health or social rehabilitation programs, WIC programs, nutrition programs, or VA Medical Centers because they are not covered by MA.

Eligibility...

Consumers must have a valid Pennsylvania Medical Assistance (MA) Card and be an Allegheny County resident. We only transport to medical services that are covered by MA.

Client Friendly Enrollment...

All new applicants must call 1-888-547-6287 or visit the MATP office to enroll.

Enrollment is a three step process:

- MATP will verify your MA eligibility and then complete the MATP Application (*usually over the phone*).
- MATP will mail your Application to you for your signature.
- Clients must sign all paperwork and return it to the MATP Office.
